SCHWEISSEN & SCHNEIDEN 2025

THE BEST PROGRAMME FOR YOUR SUCCESS

After its outstanding comeback in 2023, the success story of the industry's international number one trade fair continues. As an exhibitor, you will benefit from exceptional programme highlights from the world of joining, cutting and surfacing technology. Meet trade visitors who are keen to invest and competent in procurement and be a part of the outstanding success of the world's leading trade fair **SCHWEISSEN & SCHNEIDEN 2025**.

As the most important **international industry gathering** and with its unequalled diversity, SCHWEISSEN & SCHNEIDEN 2025 will once again attract **top decision-makers, experts** and **market leaders** from all sectors. All the important topics are discussed here, such as digitisation, underwater technology and artificial intelligence.

World premieres and **innovative start-up ideas** will inspire the audience. Visitors have the unique opportunity to experience the latest developments in automation, robotics and manufacturing on site and up close. **Take advantage of this unique setting** and register as an exhibitor at SCHWEISSEN & SCHNEIDEN 2025 today.

came from abroad

95 %

of trade visitors were very
satisfied with their visit

THE WHOLE WORLD OF WELDING AND CUTTING TECHNOLOGY

SCHWEISSEN & SCHNEIDEN showcases the full range of
groundbreaking products and innovative services.

- ▶ Welding / Joining
- ▶ Cutting
- ▶ Surface technology / heat treatment
- ▶ Gas, supplies and filler materials
- ▶ Equipment, safety, health
- ▶ Quality assurance
- ▶ Sub-contracting [services] / digitisation

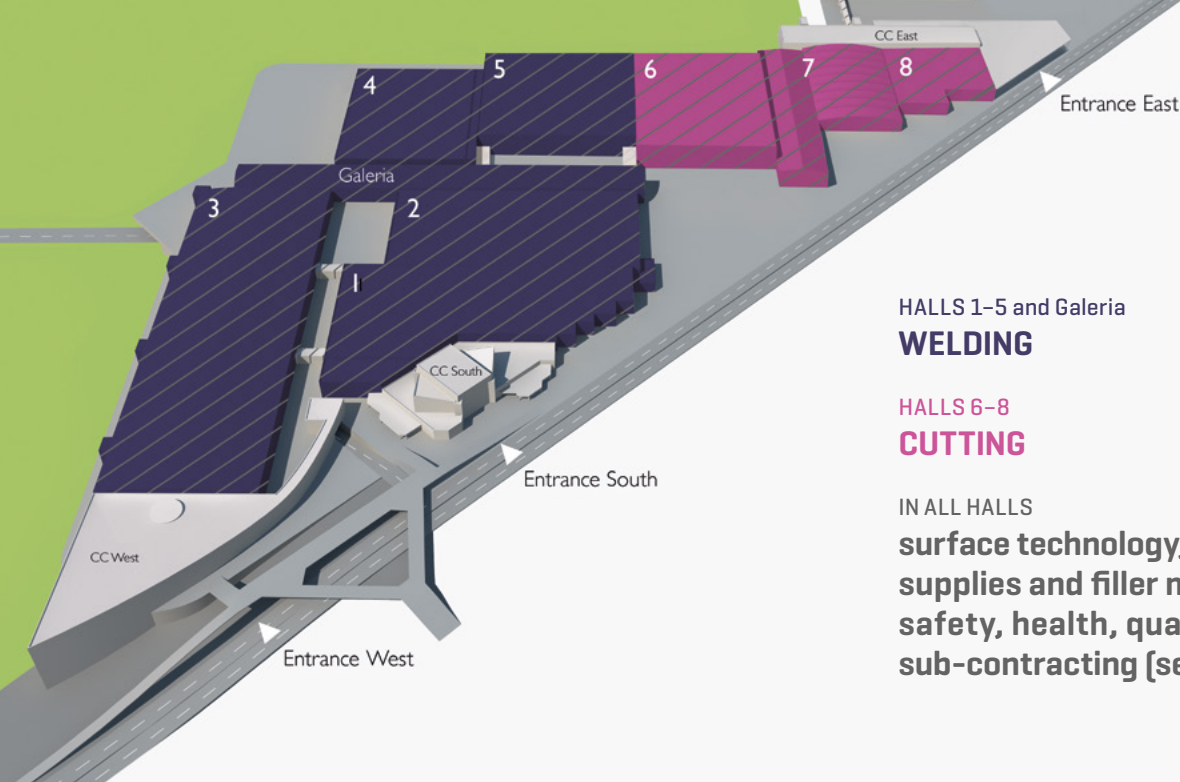

SHARING KNOWLEDGE, EXPERIENCING INNOVATION, PROMOTING TALENT

The DVS Congress 2025 is where experts meet.

The congress rounds off the varied programme of SCHWEISSEN & SCHNEIDEN and makes the trade fair even more attractive for your customers.

A special highlight: the DVS Young Welders Competition.

Promote young talents and support the competition as a sponsor, partner or simply as a spectator.

surface technology, heat treatment, gas, supplies and filler materials, equipment, safety, health, quality assurance, sub-contracting (service), digitisation

WE VALUE THE WELDING & CUTTING TRADE FAIR AS THE WORLD'S LEADING INTERNATIONAL TRADE FAIR FOR THE INDUSTRY. IT REFLECTS THE INCREASING IMPORTANCE OF WELDING APPLICATIONS, INCLUDING IN NEW INDUSTRIES. THE TRADE FAIR OFFERS THE IDEAL PLATFORM FOR EXCHANGING IDEAS WITH EXPERTS FROM THE WELDING AND CUTTING INDUSTRY. VISITORS HAVE THE OPPORTUNITY TO OBTAIN COMPREHENSIVE INFORMATION ABOUT CURRENT TRENDS IN MANUFACTURING, SUCH AS AUTOMATION AND ADVANCES IN THE FIELD OF LASER WELDING, FOR EXAMPLE. AS AN EXHIBITOR, WE RECEIVE DIRECT FEEDBACK FROM THE MARKET.

Dr. Alexander Knitsch, Head of Sales Laser Division Germany, TRUMPF Laser- und Systemtechnik GmbH
